## Sylvia's Book

**TITLE:** Supportive Accountability: How to Inspire People and Improve Performance

**SYNOPSIS:** Some leaders are too harsh. Some are too lenient. Others are completely disengaged from employee performance management. Striking a delicate balance between supportive leadership and accountability is the key to ensuring employees are as effective and productive as possible.

Through a mix of stories, actionable tips, and templates, leaders learn how to master the art of performance management.

**SUBJECT:** Management/Leadership

**TARGET AUDIENCE:** New managers and supervisors, experienced leaders seeking a refresher, and leaders who are either frustrated or losing passion for the job... you can engage employees and improve performance.

**PUBLISHER:** Melena Consulting Group
