

Sylvia Melena

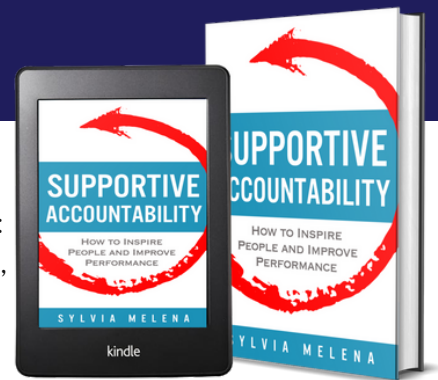

LEAD. INSPIRE. ACHIEVE.

Sylvia Melena is an international award-winning and best-selling leadership author with a knack for reinvigorating workplaces and improving performance. She is the creator of the Supportive Accountability Leadership™ Model and the Founder & CEO of Melena Consulting Group, a leadership and performance management consulting, training, and book coaching company. Sylvia has a Master of Arts in Leadership and Organizational Studies and spent nearly 20 years in the trenches of management. Most importantly, she has a passion for leadership and a profound love for people.

Sylvia's Book

Sylvia's leadership and performance management book, Supportive Accountability:

- Sold thousands of copies in five continents—North America, Europe, Asia, Australia, and South America
- Received the International Latino Book Award and the San Diego Book Award
- Was a finalist in the Foreword Indies Book of the Year Awards
- Is used to train leaders in university and workplace settings

“ Testimonials

“Sylvia, you blew our group away with your brilliance!... Our audience could not celebrate this presentation enough, full of golden nuggets.” – **Marquesa Pettway, Board Member, Black NSA (National Speakers Association)**

“Sylvia, I cannot thank you enough for your passion and dedication to building strong leaders... We know the impact Supportive Accountability will have on our food bankers.” – **Suzanne Drotman, Vice President of People & Culture, North Texas Food Bank**

“The Supportive Accountability Leadership training content is phenomenal! ... The material strummed up some great conversations, and we had some major breakthrough and powerful moments as a team.” – **Christie Johnson, Market Trainer, Aflac, Arizona Market Office**
